

# Starting your Business in Canada

When you have completed these steps, you are ready to begin working from home as an ACP on behalf of your own business or the VSC of your choice.

## Getting Started: Arise Admissions & Certification Process

By completing the “How Do I Get Started” steps in the admission process outlined below, you will become an Arise Certified Professional, and set up your VSC (i.e. corporation) to partner with Arise or join an established VSC.

We only contract and partner with incorporated companies, which we call Virtual Services Corporations (VSCs). A majority of Arise Certified Professionals (ACPs) work for their own VSC. Alternatively, after becoming an Arise Certified Professional, you may choose to work for an existing VSC that is in good standing as an Arise VSC Partner.

Arise does not employ individual agents.
