Blue Ridge Restaurant Group is investing in 2006 NW Executive Center Circle in Boca Raton -- that's where their latest joint, Copper Canyon Grill, will open on September 7. The 6,300-square-foot restaurant will combine an upscale casual vibe with such down-home, All-American meals as BBQ ribs, cowboy rib eye steaks, chicken pot pie, seared ahi tuna salad, and... wait a second... "Not Too Far West Sushi"? Er, OK. The drink menu also features nauseatingly cutesy names like the Most Popular Flirtini, ensuring that Boca-ites will glug them down at the granite-top bar with aplomb. Call 561-893-8838.
