Copper Canyon Grill Opens In Boca Raton

**G**iven the economy, it's reassuring to see new restaurants on the horizon. Copper Canyon Grill, a casually upscale eatery specializing in full-flavored American cuisine, is scheduled to open the second week of this month.

Owned by Blue Ridge Restaurant Group, the 6,300-square-foot restaurant is tastefully designed with dark wood accents, brick and granite, and features a full bar, wood-burning stone rotisserie and a dramatic exhibition kitchen from where, restaurant execs say, "traditional and distinctive menu items at family-friendly prices" will be served.

Lunch and dinner items run the gamut from Delmarva Crab Dip appetizers and slow-cooked Ranch House BBQ Ribs, to a Cowboy Rib-eye Steak and Sally's Chicken Pot Pie. The restaurant offers lighter options as well, including Not Too Far West Sushi, Rotisserie Chicken Caesar Salad, Sesame-Seared Ahi Salad and Wood-Grilled Tenderloin Beef Tip Salad (choose from an array of homemade dressings).

If you're in the mood for cocktails, the bar offers several signature drinks, including the Most Popular Flirtini, Perfect Margarita and DC Tea. For dessert, choose from the

Chocolate Uprising, Apple Blossom Pastry, Pineapple Upside Down Cake and the restaurant's signature Key Lime Pie. **O**
