Copper Canyon Grill to open in Boca Raton Sept. 7

SUNDAY, 30 AUGUST 2009 21:06 DALE KING BUSINESS - SMALL

Copper Canyon Grill, a 6,300 square foot restaurant that features American cuisine, will open in Boca Raton Sept. 7 at 2006 NW Executive Center Circle (Glades Road, just west of I-95), said public relations spokeswoman Elizabeth Kelley Grace.

The upscale casual restaurant will seat some 200 guests.

The Boca Raton location is the fifth restaurant for parent company the Blue Ridge Restaurant Group and its second in Florida, after an opening in Orlando in 2007, said Grace. Other Blue Ridge Restaurant Group locations include Centreville, Va., Gaithersburg, Md. and Silver Spring, Md.

Copper Canyon is based on the concept of a wood-burning stone rotisserie and an exhibition kitchen, She said the menu includes both healthy and comfort foods. The restaurant is also well-known for its array of homemade dressings to complement signature salads.

Guests may complete the dining experience with a signature specialty drink.

Grace said Copper Canyon Grill can trace its origins back to Oklahoma City, where in 1999 Redrock Canyon Grill was founded. In 2004, with the permission of Redrock's founders, Blue Ridge Restaurant Group launched its own Redrock's in the Mid-Atlantic region,

In 2009, the Redrock Canyon Grills in the Mid-Atlantic region began a transition to Copper Canyon Grill.
