

ORLEANS CAPITAL
MANAGEMENT

August 28, 2017

To Our Clients:

It is with deepest regrets and saddened hearts we announce the recent passing of our father and business colleague, Louis Crane, President and Chief Investment Officer Orleans Capital Management. Louis passed away on Thursday evening, August 24, 2017. Funeral services will be held Wednesday, August 30, 2017 at the E.J. Fielding Funeral Home (2260 W. 21st Avenue, Covington, LA 70433).

Since forming the company in 1991, Louis has served as the head of the investment policy committee. Louis developed a culture in the firm that stressed that every employee has an obligation to the people who invest with the firm and that all employees have at their core the work ethic, values and principles of the Prudent Man. Louis brought essential insights from his extensive background in banking, investing, and corporate management. Moreover, Louis was a man of unique thought who challenged conventional wisdom in his investment approach – traits he instilled in the management of the firm.

Louis leaves behind a company that will continue in the direction set. Rod Abele, Farrell Crane, and Emily Becker will continue leading the organization and investment decisions of the firm.

Louis Crane was devoted to his family. He was a loving husband, father, grandfather, and brother. He was passionate about life, literature, and learning. Louis was a gentle friend and strong leader. We will miss him.
