WELCOME

Dear Riders, Trainers, Owners and Friends of WIHS,

We're delighted to welcome you to the 58th Annual Washington International Horse Show and proud to offer you a show like no other – 26,000 enthusiastic spectators, 500 of the best horses in the world, more than \$500,000 in prize money as well as great dining, shopping, entertainment and hospitality all in the heart of our nation's capital city, Washington, D.C.

Following an exciting and successful inaugural year for the Longines FEI World Cup™ Jumping North American League, we will again host an important qualifying event leading up to the Longines FEI World Cup™ Jumping Final, which will be held for the first time in Omaha, Nebraska, next March.

We have some exciting news to announce for this year's show:

- ★ Longines FEI World Cup™ Jumping Washington CSI4*-W prize money is increased to \$130,000, offering more FEI ranking points.
- ★ A \$35,000 Accumulator Top Score Costume class will replace the Gambler's Choice on Thursday night, with \$15,000 in additional prize money, eligibility for FEI ranking points and a new Best Costume Award, presented by Equestrian Sport Productions.
- ★ We are pleased to introduce a very special award created in honor of legendary horseman George Morris, who will be one of our judges in the WIHS Equitation Finals this year. The George H. Morris Style of Riding Award will recognize an International Jumper rider who best exemplifies the American style of equitation and jumping and the respectful, dignified, and workmanlike manner of a true sportsman.

We offer new hospitality options at all levels throughout the week including tables in the Lugano and Etc. Clubs and the family-friendly Acela Club, in addition to the complimentary Sterling Club Exhibitors Lounge, presented by Marshall & Sterling, and after-parties at Oyamel, hosted by ThinkFood Group, and at the Irish Channel Pub. Our charity partners will benefit from evening parties in the Acela Club including TAPS, Capital Breast Care Center and the U.S. Equestrian Foundation. See page 4 for details.

Our sincerest appreciation and thanks to our sponsors, competitors, trainers, owners, vendors, volunteers, staff and friends for contributing to our success every year. We couldn't do it without your support.

Have a safe and successful competition year, and we look forward to seeing you in October! And in this exciting Olympic year, please join us in wishing Team USA best of luck in Rio de Janeiro!

Sincerely,
Gregory W. Gingery, *Chairman*
Victoria Lowell, *President*

THIS IS My HORSE

He's taught me lessons like how to meet a horse in the middle, and how when you believe in a horse, he does his best for you. Sure, you have to give in a little bit to his quirky personality, but he tries for me. I'd much rather have a horse that does it their own way, but gives you what he has, than a horse that is super talented, but always finds a way to knock a jump down. He's straight, and aside from the ring, I just really like him. He's probably the last horse I'll ride in the championships that my dad trained, so he's special to me in that way, too.

RULES & REGULATIONS

ENTRIES

ENTRIES CLOSE TUESDAY, SEPTEMBER 6, 2016.

All horses must submit an application including all International Jumper and horses in the WIHS Children's and Adult Hunter and Jumper Championships, except for WIHS Equitation riders, who will receive invitations.

We encourage all competitors and trainers to submit their entry electronically through the Show Management System™ Platform: <http://entries.showmanagementsystem.com>.

WIHS uses this platform to process entries and communicate with competitors about their acceptance status. All entries will be charged a \$5 entry processing fee payable to Show Management System™ at the time of submission. This fee applies to all entries, electronic and mailed. For those who wish to mail in their entries with a check, use the enclosed paper entry form. This form may be downloaded at wihs.org.

Entries postmarked after midnight Tuesday, September 6, will not be accepted, with the following exception: if a section does not fill, management may accept late entries using the alternate qualifying criteria outlined below. The U.S. Post Office date will be considered the effective date of mailing for entries received bearing a U.S. Post Office postmark. For entries received bearing a postage meter date and no U.S. Post Office postmark, the metered date will be considered the official postmark only if received within seven days of the postage meter date.

Mail Entries To:

Brett Waters, Show Secretary
WIHS, 3299 K Street NW, Suite 600
Washington, DC 20007

For Entry Questions, Please Contact:

WIHSsecretary@wihs.org
Tel 202-679-5660
Fax 866-651-7132

- A separate entry form must be submitted for each horse. Forms may be copied. Prize list and forms are available on www.wihs.org.
- **Enclose \$155 with your entry (\$150 application fee + \$5 entry processing fee) for each horse entered (non-refundable). DO NOT enclose entry or stall fees at this time.**
- All checks must be in U.S. funds and made payable to WIHS. Credit cards will be accepted through mail, but if you are paying by credit card, you are strongly encouraged to submit electronically at <http://entries.showmanagementsystem.com>.
- DO NOT mail Negative Coggins and Routine Health Certificates with the entry form. Both documents must be presented to the show secretary upon arrival. See page 36 for details.
- Each entry form must be signed by the owner, rider, trainer and coach (if applicable). Said signature shall constitute verification that the information contained therein is accurate to the best of the signer's knowledge and belief. Any falsification of entry information will result in disqualification of the entry and forfeiture of entry and stabling fees.
- USEF measurement cards, amateur certification, and membership cards or copies must be provided to the horse show office before numbers will be released.

Effective January 1, 2009, a \$7 USHJA Fee is to be charged to each horse entered at a Federation Licensed Hunter and/or Jumper Competition. This fee shall be collected by the competition and remitted to the USHJA in accordance with GR1210.13.

QUALIFICATION

The show will limit the number of entries accepted in all sections. Qualifying lists will be posted in mid-September on the WIHS website, www.wihs.org.

- **Please see each section/division for the maximum number of horses or ponies allowed per rider. You may enter as many horses or ponies as you wish, however, you are responsible for complying with the restrictions in each section/division.**
- Acceptance letters will be emailed in mid-September to the name and address specified on the entry form. Payment in full as billed on the acceptance invoice must be postmarked/submitted online by the specified date; entries not paid in full by that date will not be permitted to show. If response to acceptance letter is not received by the date specified in the acceptance letter, management will move down the list.
- Non-negotiable checks will disqualify the entry, and the exhibitor will be charged a \$150 collection fee. Exhibitors with outstanding debts to WIHS will not be allowed to compete.

Alternate Qualifying Criteria

If the qualifying list is exhausted and spaces are still available in a section, the following alternate qualification criteria will be used:

- Any horse applying for acceptance in a section must have shown in that section within the specified qualifying time period but need not necessarily have won points.
- Horses accepted based on the alternate qualifying criteria must have submitted an entry and will be accepted on a first-come-first-served basis.

HUNTERS

Qualifying for the Hunter, Amateur-Owner Hunter, Junior Hunter and Pony Hunter divisions will be based on USEF National Horse of the Year points earned by horses/ponies at their best 15 shows starting on or after August 31, 2015, through shows starting on or before August 28, 2016. Horses that were champions at the 2015 WIHS automatically will qualify for the section in which they were champion **provided they are properly entered** and still eligible for that section.

Hunter champion and reserve champion titles will be awarded to the top two of the four horses that acquire the most points over fences in that section. In addition to these points, only these four horses will receive half points for ribbons won in model classes (full points for Regular Conformation Model class) and full points for ribbons won in one under saddle class. Ties will be broken under Article HU148.

Hunter grand champion titles will be awarded to the horse or pony accumulating the most points in their section of that division. In the event of a tie, the horse winning the most points over fences will receive the award. If there is still a tie, the award will be presented jointly.

All classes will be judged on performance and soundness unless otherwise noted.

JUMPERS

High and Low Junior/Amateur-Owner Jumpers: Qualifying will be based on prize money won at USEF recognized shows and/or FEI sanctioned competitions starting on or after August 31, 2015, through shows starting on or before August 28, 2016 in Junior, Amateur-Owner and/or Young Rider competitions. For the High Junior/Amateur Owner section, classes above 1.35m to count. For the Low Junior/Amateur Owner section, classes held at 1.35m or lower to count. For FEI competitions held outside of the United States, riders are responsible for insuring the USEF has a record of their winnings. Previous year champions automatically will qualify **provided they are properly entered** and still eligible for that section.

International Jumpers: See page 51 for qualifying information. Riders must submit an official entry form to the Washington International Horse Show office for each horse. Riders must also be nominated by their National Federation on the FEI entry system, along with the horses on which they wish to compete. Deadline for submission of entries is September 6, 2016.

PRIZE MONEY

Prize money will be mailed within 30 days of the conclusion of the show to the owner or designee as listed on the entry form. No prize money will be mailed unless the payee's social security number and complete address are listed on the entry blank.

All prize money and refund checks must be cashed by December 31, 2016. After that date, checks are null and void and will not be re-issued.

Foreign competitors: The U.S. Internal Revenue Service requires sporting events to withhold 30% of prize money won in the United States. Foreign competitors should apply for a U.S. Social Security number and will be asked to complete form W-8BEN or complete a W-8 Certificate of Foreign Status form.

FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.

Horses and competitors must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.

Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.

Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.

The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

FEI RULES & REGULATIONS

This event is organized in accordance with:

- FEI Statutes, 23rd edition, effective 29 April 2014
- FEI General Regulations, 23rd edition, 1 Jan. 2009, updates effective 1 Jan. 2016
- FEI Veterinary Regulations, 13th edition, effective 1 Jan. 2016
- The Jumping Rules and its Annexes, 25th edition, 1 Jan. 2014, updates effective 1 Jan. 2016
- FEI World Cup Jumping Rules, 12th edition, 1 May 2009, updates 11 May, 2016, updated effective for 2016/2017 season
- CSI AND CSIO Requirements according to Annex VI of the FEI Jumping Rules and its Annexes 25th edition, 1 Jan. 2014, updates effective 1 Jan. 2015
- Equine Anti-Doping and Controlled Medication Regulations (EADCMR), 2nd Edition, effective 1 Jan. 2016
- FEI Anti-Doping Rules for Human Athletes (ADRHA), based on the 2015 revised WADA Code, effective 1 Jan. 2016
- All subsequent published revisions, the provisions of which will take precedence.
- An arbitration procedure is provided for in the FEI Statutes and General Regulations referred to above. In accordance with this procedure, any appeal against a decision rendered by the FEI or its official bodies is to be settled exclusively by the Court of Arbitration for Sport (CAS) in Lausanne, Switzerland.

VETERINARY EXAMINATIONS, HORSE INSPECTIONS and PASSPORT CONTROLS

These will be carried out in accordance with the Veterinary Regulations, Art. 1011 & the discipline rules. Gen. Regs., 23rd Edition, Revision effective 1 Jan., 2009 will apply:

Art. 139.1: Every horse entered for any competition at CNs or CIMs (see Appendix D) in a foreign country (see GRs 141.2), and all horses entered for other CIs, CIOs, Championships, Regional and Olympic Games, whether at home or in foreign countries (see GRs 141.2), must have an official valid FEI Passport, or a National Passport approved by the FEI

and accompanied by an FEI Recognition Card and, when applicable, an FEI registration number, as a means of identification and to establish ownership.

Art. 139.2: Horses taking part in CNs and CIMs (see Appendix D) in their country of residence are not required to have such a passport as is mentioned in paragraph 1. All such horses must be properly registered and identifiable and, unless there is no national requirement for equine influenza vaccination in the host country and in the country of origin, all horses must have a valid vaccination certificate.

EQUINE INFLUENZA VACCINATION, VET. REGS. ANNEX VII (except events in NZL & AUS)

All horses and ponies for which an FEI Passport, or a National Passport approved by the FEI has been issued, must have the vaccination section endorsed by a veterinarian, stating that it has received two injections for primary vaccination against equine influenza, given between 1 and 3 months apart. In addition, a booster injection must be recorded as having been given within each succeeding 6 months, subsequent to the second injection of the primary vaccination. None of these injections must have been given within the preceding 7 days including the day of the competition or of entry into the competition stables.

The above are the minimum requirements for influenza vaccination. Both primary and first and subsequent booster injections should be given according to the manufacturer's instructions which will fall within the stipulation of the FEI ruling.

SAMPLING FOR PROHIBITED SUBSTANCES (Vet. Regs. Chapter V & VI; Annex IV)

Regular sampling is carried out in CCIs (3*,4*), CSIs (3*, 4*, 5*), CIOs, World Cup Qualifiers and Finals, Championships and Games, whereas at other CIs sampling is recommended. When testing takes place, the number of horses tested is at the discretion of the Testing Veterinarian/Veterinary Delegate; however, a minimum of three is recommended (Vet. Regs. Art. 1016). Special guidelines are applicable for events covered by the FEI Medication Control Programme (Groups I & II only).

MEDICATION CONTROL PROGRAMME (GROUP I & II ONLY)

The Organizing Committees of FEI events within Groups I & II are advised to charge competitors the equivalent of CHF 12.50 per horse per event as a contribution towards the costs of the MCP programme.

HEALTH REQUIREMENTS FOR THE ENTRY OF HORSES/PONIES

The District of Columbia requires both a Negative Coggins Test within the past 12 months of the horse show and a Routine Health Certificate within 30 days for horses crossing into the District. Both the Negative Coggins and Routine Health Certificates must be presented to the Show Secretary upon arrival and therefore should not be mailed in with your entry form. An official from the District Board of Health will be present to inspect all certificates.

During WIHS, the veterinarian's phone number will be posted in the Horse Show Office and in the Stabling Office. United States regulations require that all equines be covered by official interstate health certificates, issued by a licensed veterinarian, showing that the animals are free from any symptoms of any infectious or communicable disease. The certificate shall include the name of the owner and address, destination, number of horses examined, the name, registration numbers(s), if any, tattoo, if any, sex, age, rectal temperature, color, and marking of each animal listed. Health certificates will become void after 30 days from issue. Health certificates must show animals to be negative to an equine infectious anemia test within the past 12 months. Date of test and approved laboratory must be shown on the health certificate. Equine Rhinopneumonitis vaccination is not required; however, if any animal is vaccinated, it is ineligible for entry within 21 days of vaccination. Vehicles transporting animals must have certificates showing that they were cleaned and disinfected under veterinary supervision prior to loading. This information can be written on the health certificate.

CUSTOMS FORMALITIES

Before a horse can enter the United States, it must have an import permit, a health certificate from the country of origin (signed by a veterinarian), and a negative CEM culture taking within 30 days of import (for mares and stallions). If allowed into the country, all horses must be placed in federal quarantine at a USDA animal import center, which usually lasts two or three days. In the United States, there are four ports of entry for horses coming into this country—Los Angeles, CA; Newburg, NY; Miami, FL; and Honolulu, HI.

Each horse brought into this country must pass through one of these USDA facilities. During that time, the horse will be tested and observed for clinical signs of illness resulting from “exotic” diseases such as dourine, glanders, piroplasmiasis, or more common diseases such as influenza. After quarantine, the mares and stallions over 731 days of age (two years) which are new to our country must undergo CEM quarantine at a separate facility.

National Federations holding an international event in their country should inform their national veterinary authority and their customs authority at least four weeks prior to the event. They should request every facility to assist the movement of horses/ponies accompanied by FEI passports and the necessary veterinary certification at frontier crossing points into and out of their countries. (Vet. Regs. Art. 1004.2)

INSURANCE

All owners and competitors are personally responsible for damages to third persons caused by themselves, their employees, their agents or their horses. They are therefore strongly advised to take out third-party insurance providing full coverage for participation in equestrian events at home and abroad, and to keep the policy up to date.

UPPER ECHELON ACADEMY

Experience the Difference

At Upper Echelon Academy, we educate students as scholars and athletes.

We offer a unique program that emphasizes the student's academic goals while supporting the demands of their equestrian sport.

Our affiliation with educational and sports psychologist, Dr. Jen Speisman, allows us to combine a tailored learning experience in the classroom with skills that continue into the competition arena.

Our gifted tutors are outstanding individuals with depth of experience in their fields of study; but more importantly, they are educators that foster a love of learning for their academic subjects.

Call us today at 705.241.6683 to experience the Upper Echelon Academy difference for yourself.
