## QUALIFICATION

The show will limit the number of entries accepted in all sections. Qualifying lists will be posted in mid-September on the Washington International website, [www.wihs.org](http://www.wihs.org).

**Please see each section/division for the maximum number of horses or ponies per rider. You may enter as many horses or ponies as you wish, however, you are responsible for complying with the restrictions in each section/division.**

Acceptance letters will be emailed in mid-September to the name and address specified on the entry form. Payment in full as billed in the acceptance invoice must be postmarked by the specified date; entries not paid in full by the specified date will not be permitted to show.

Non-negotiable checks will disqualify the entry, and the exhibitor will be charged a \$150 collection fee. Exhibitors with outstanding debts to WIHS will not be allowed to compete.

### Alternate Qualifying Criteria

If the qualifying list is exhausted and spaces are still available in a section, the following alternate qualification criteria will be used:

- Any horse applying for acceptance in a section must have shown in that section within the specified qualifying time period but need not necessarily have won points.
- Horses accepted based on the alternate qualifying criteria must have submitted an entry and will be accepted on a first-come-first-served basis.
- A mandatory office fee of \$50 will be assessed for each entry.

## HUNTERS

Qualifying for the Hunter, Junior Hunter and Pony Hunter divisions will be based on USEF National Horse of the Year points earned by horses/ponies at their best 15 shows starting on or after August 24, 2010, through shows starting on or before August 29, 2011. Horses that were champions at the 2010 WIHS automatically will qualify for the section in which they were champion **provided they are properly entered** and still eligible for that section.

Hunter champion and reserve champion titles will be awarded to the top two of the four horses that acquire the most points over fences in that section. In addition to these points, only these four horses will receive half points for ribbons won in Model classes (full points for Regular Conformation Model class) and full points for ribbons won in one Under Saddle class. Ties will be broken under Article HU150.

All classes will be judged on performance and soundness unless otherwise noted.

## JUMPERS

Qualifying for the High and Low Junior/Amateur-Owner Jumper sections will be based on prize money won at USEF-recognized shows starting on or after August 24, 2010, through shows starting on or before August 29, 2011. Horses that were champions at the 2010 WIHS in the Junior Jumper or Amateur-Owner Jumper sections automatically will qualify **provided they are properly entered** and still eligible for that section.

Please see page 39 for qualifying information for National Open and International Open Jumpers.

## PRIZE MONEY

Prize money will be mailed within 30 days following the show to the owner or designee as listed on the entry form. No prize money will be mailed unless the owner's social security number and complete address is listed on the entry blank.

**All prize money and refund checks must be cashed by December 31, 2011. After that date, checks are null and void and will not be re-issued.**

**Foreign competitors:** The U.S. Internal Revenue Service requires sporting events to withhold 30% of prize money won in the United States. ### **THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE**

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and competitors must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

WAIVER: THE WASHINGTON INTERNATIONAL HORSE SHOW ASSOCIATION, LTD., SHALL NOT BE RESPONSIBLE FOR ANY ACCIDENT, LOSS, INJURY OR DAMAGE TO PERSONS OR PROPERTY WHICH MAY OCCUR TO ANY SPECTATOR, GUEST, RIDER, DRIVER, GROOM, TRAINER, ATTENDANT OR OTHER EMPLOYEE, ANIMAL OR EQUIPMENT AT THE WASHINGTON INTERNATIONAL HORSE SHOW, AT THE PRINCE GEORGE'S EQUESTRIAN CENTER OR WHILE BEING TRANSPORTED BETWEEN THE PRINCE GEORGE'S EQUESTRIAN CENTER AND THE SITE OF THE WASHINGTON INTERNATIONAL HORSE SHOW.

All owners and competitors are personally responsible for damages to third persons caused by themselves, their employees, their agents or their horses/ponies. They are therefore strongly advised to take out third-party insurance providing full coverage for participation in equestrian events at home and abroad, and to keep the policy up to date.

## VETERINARY EXAMINATIONS, HORSE INSPECTIONS & PASSPORT CONTROLS

These will be carried out in accordance with the “Veterinary Regulations”, Art. 1011 & the discipline rules. “General Regulations”, 23rd Edition, Revision effective 1st January, 2009 will apply:

**Art. 139.1: Every horse entered for any competition at CNs or CIMs (see Appendix D) in a foreign country (see GRs 141.2), and all horses entered for other CIs, CIOs, Championships, Regional and Olympic Games, whether at home or in foreign countries (see GRs 141.2), must have an official, valid FEI Passport, or a National Passport approved by the FEI and accompanied by an FEI Recognition Card and, when applicable, an FEI registration number, as a means of identification and to establish ownership.**

Art. 139.2: Horses taking part in CNs and CIMs (see Appendix D) in their country of residence are not required to have such a passport as is mentioned in paragraph 1. All such horses must be properly registered and identifiable and, unless there is no national requirement for equine influenza vaccination in the host country and in the country of origin all horses must have a valid vaccination certificate.

**EQUINE INFLUENZA VACCINATION, VET. REGS. ANNEX VII** (except events taking place in NZL & AUS) All horses and ponies for which an FEI Passport, or a National Passport approved by the FEI has been issued, must have the vaccination section endorsed by a veterinarian, stating that it has received two injections for primary vaccination against equine influenza, given between 1 and 3 months apart. In addition, a booster injection must be recorded as having been given within each succeeding 6 months, subsequent to the second injection of the primary vaccination. None of these injections must have been given within the preceding 7 days including the day of the competition or of entry into the competition stables. The above are the minimum requirements for influenza vaccination. Both primary and first and subsequent booster injections should be given according to the manufacturer's instructions which will fall within the stipulation of the FEI ruling.

## SAMPLING FOR PROHIBITED SUBSTANCES (Vet. Regs. Chapter V & VI and Annex IV)

Regular sampling is carried out in CCIIs (3\*,4\*), CSIs (3\*, 4\*, 5\*), CIOs, World Cup Qualifiers and Finals, Championships and Games, whereas at other CIs sampling is recommended. When testing takes place, the number of horses tested is at the discretion of the Testing Veterinarian/Veterinary Delegate; however, a minimum of three is recommended (Vet. Regs. Art. 1016)

Special guidelines are applicable for events covered by the FEI Medication Control Programme (Groups I & II only).

## **MEDICATION CONTROL PROGRAMME (GROUP I & II ONLY)**

The Organizing Committees of FEI events within Groups I & II are advised to charge competitors the equivalent of CHF 12.50 per horse per event as a contribution towards the costs of the MCP programme.

## **HEALTH REQUIREMENTS FOR THE ENTRY OF HORSES/PONIES**

The District of Columbia requires both a **Negative Coggins Test within the past 12 months of the horse show** and a **Routine Health Certificate (within 30 days) for horses crossing into the District**. Both the **Negative Coggins and Routine Health Certificates must be presented to the Show Secretary upon arrival and therefore should not be mailed in with your entry form**. An official from the District Board of Health will be present to inspect all certificates.

During the WIHS, the veterinarian's phone number will be posted in the Horse Show Office and in the Stabling Office. United States regulations require that all equines be covered by official interstate health certificates, issued by a licensed veterinarian, showing that the animals are free from any symptoms of any infectious or communicable disease. The certificate shall include the name of the owner and address, destination, number of horses examined, the name, registration number(s), if any, tattoo, if any, sex, age, rectal temperature, color, and marking of each animal listed. Health certificates will become void after 30 days from issue. Health certificates must show animals to be negative to an equine infectious anemia test within the past 12 months. Date of test and approved laboratory must be shown on the health certificate. Equine Rhinopneumonitis vaccination is not required; however, if any animal is vaccinated, it is ineligible for entry within 21 days of vaccination. Vehicles transporting animals must have certificates showing that they were cleaned and disinfected under veterinary supervision prior to loading. This information can be written on the health certificate.

## **CUSTOMS FORMALITIES**

Before a horse can enter the United States, it must have an import permit, a health certificate from the country of origin (signed by a veterinarian), and a negative CEM culture taken within 30 days of import (for mares and stallions). If allowed into the country, all horses must be placed in federal quarantine at a USDA animal import center, which usually lasts two or three days. In the United States, there are four ports of entry for horses coming into this country—Los Angeles, Calif; Newburg, N.Y.; Miami, Fla.; and Honolulu, Hawaii.

Each horse brought into this country must pass through one of these USDA facilities. During that time, the horse will be tested and observed for clinical signs of illness resulting from "exotic" diseases such as dourine, glanders, piroplasmiasis, or more common diseases such as influenza. After quarantine, the mares and stallions over 731 days of age (two years) which are new to our country must undergo CEM quarantine at a separate facility.

NF's holding an international event in their country should inform their national veterinary authority and their customs authority at least four weeks prior to the event. They should request every facility to assist the movement of horses/ponies accompanied by FEI passports and the necessary veterinary certification at frontier crossing points into and out of their countries. (Vet. Regs. Art. 1004.2)

## **INSURANCES**

All owners and competitors are personally responsible for damages to third persons caused by themselves, their employees, their agents or their horses. They are therefore strongly advised to take out third-party insurance providing full coverage for participation in equestrian events at home and abroad, and to keep the policy up to date."
