HUNTERS

Qualifying for the Hunter, Amateur-Owner Hunter, Junior Hunter and Pony Hunter divisions will be based on USEF National Horse of the Year points earned by horses/ponies at their best 15 shows starting on or after August 24, 2011, through shows starting on or before August 29, 2012. Horses that were champions at the 2011 WIHS automatically will qualify for the section in which they were champion **provided they are properly entered** and still eligible for that section.

Hunter champion and reserve champion titles will be awarded to the top two of the four horses that acquire the most points over fences in that section. In addition to these points, only these four horses will receive half points for ribbons won in model classes (full points for Regular Conformation Model class) and full points for ribbons won in one under saddle class. Ties will be broken under Article HU150.

All classes will be judged on performance and soundness unless otherwise noted.

JUMPERS

High and Low Junior/Amateur-Owner Jumpers: Qualifying will be based on prize money won at USEF-recognized shows starting on or after August 24, 2011, through shows starting on or before August 29, 2012. THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.

Horses and competitors must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.

Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.

Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.

The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

INTERNATIONAL-OPEN JUMPER SECTION

This section is open to National Open Jumpers and International Open Jumpers. All national horses entered in this section must be recorded with the USEF. This section will be limited to 30 riders, with 25 riders based on their rankings on the Rolex/USEF Show Jumping Ranking List dated September 9, 2012. The remaining five spots will be for non-US riders according to their standings on the last FEI Rolex World Ranking list dated prior to September 10, 2012. If five or fewer foreign riders fail to enter, those remaining slots will be filled using the Rolex/USEF Show Jumping Ranking List dated September 9, 2012. The Washington International Horse Show reserves the right to offer invitations to up to three Wild Card spots in addition to 30 riders.

Nominating Fee: \$350 per rider. Specific showing fees are listed for each class in this section. Riders may nominate a maximum of two (2) horses to the International Open Jumper Section (plus one additional horse for Class 214, the Puissance). Official Horse Inspection: All International Open Jumper horses must be on the grounds of Prince George's Equestrian Center by 11:00 a.m. on Wednesday, October 24, 2012. All horses with their passports and proper credentials must be presented at that time for the official horse inspection. Horses will be shipped to the WIHS grounds at Verizon Center and must remain on the grounds for the duration of the event. Further details regarding admission to the stable area and schooling times will be sent with acceptance notices.

Declarations: Declarations for individual classes must be made by 9:00 a.m. on the day of the class.

Starting Order: A starting order will be drawn and rotated for classes 209, 210, 211, 212, and 213. Separate starting orders will be drawn for class 214 (Puissance). The starting order for class 215 (President's Cup-WCQ) will be determined from the results of classes 210 and 213 (points to be determined by the number of entries in each class, with the winner receiving 2 points more than the number that competed, second place getting 2 points less than the winner, third place getting 3 points less than the winner, etc.). If a competitor only competes in one class, he will receive 0 points for the class he does not compete in. If a competitor does not compete in either class, he will be placed at the start of the order. FEI RULES AND REGULATIONS

This event is organized in accordance with:

- FEI Statutes, 22nd edition, revision effective 1st January, 2012,
- FEI General Regulations, 23rd edition, revision effective 1st January, 2012,
- FEI Veterinary Regulations, 12th edition 1st January, 2012,
- The Rules for Jumping Events, 23rd edition, effective 1st January, 2012, and the Rules for the World Cup™ Jumping Events.
- All subsequent published revisions, the provisions of which will take precedence.
- An arbitration procedure is provided for in the FEI Statutes and General Regulations referred to above. In accordance with this procedure, any appeal against a decision rendered by the FEI or its official bodies is to be settled exclusively by the Court of Arbitration for Sport (CAS) in Lausanne, Switzerland.
- It is the responsibility of NFs to ensure their participants are of the correct age.

VETERINARY EXAMINATIONS, HORSE INSPECTIONS & PASSPORT CONTROLS

These will be carried out in accordance with the “Veterinary Regulations”, Art. 1011 & the discipline rules. “General Regulations”, 23rd Edition, Revision effective 1st January, 2009 will apply:

Art. 139.1: Every horse entered for any competition at CNs or CIMs (see Appendix D) in a foreign country (see GRs 141.2), and all horses entered for other CIs, CIOs, Championships, Regional and Olympic Games, whether at home or in foreign countries (see GRs 141.2), must have an official, valid FEI Passport, or a National Passport approved by the FEI and accompanied by an FEI Recognition Card and, when applicable, an FEI registration number, as a means of identification and to establish ownership.

Art. 139.2: Horses taking part in CNs and CIMs (see Appendix D) in their country of residence are not required to have such a passport as is mentioned in paragraph 1. All such horses must be properly registered and identifiable and, unless there is no national requirement for equine influenza vaccination in the host country and in the country of origin all horses must have a valid vaccination certificate.

EQUINE INFLUENZA VACCINATION, VET. REGS. ANNEX VII (except events taking place in NZL & AUS) All horses and ponies for which an FEI Passport, or a National Passport approved by the FEI has been issued, must have the vaccination section endorsed by a veterinarian, stating that it has received two injections for primary vaccination against equine influenza, given between 1 and 3 months apart. In addition, a booster injection must be recorded as having been given within each succeeding 6 months, subsequent to the second injection of the primary vaccination. None of these injections must have been given within the preceding 7 days including the day of the competition or of entry into the competition stables.

The above are the minimum requirements for influenza vaccination. Both primary and first and subsequent booster injections should be given according to the manufacturer’s instructions which will fall within the stipulation of the FEI ruling.

SAMPLING FOR PROHIBITED SUBSTANCES (Vet. Regs. Chapter V & VI and Annex IV)

Regular sampling is carried out in CCl's (3*,4*), CSIs (3*, 4*, 5*), CIOs, World Cup Qualifiers and Finals, Championships and Games, whereas at other CIs sampling is recommended. When testing takes place, the number of horses tested is at the discretion of the Testing Veterinarian/Veterinary Delegate; however, a minimum of three is recommended (Vet. Regs. Art. 1016)

Special guidelines are applicable for events covered by the FEI Medication Control Programme (Groups I & II only).

MEDICATION CONTROL PROGRAMME (GROUP I & II ONLY)

The Organizing Committees of FEI events within Groups I & II are advised to charge competitors the equivalent of CHF 12.50 per horse per event as a contribution towards the costs of the MCP programme.

HEALTH REQUIREMENTS FOR THE ENTRY OF HORSES/PONIES

The District of Columbia requires both a Negative Coggins Test within the past 12 months of the horse show and a Routine Health Certificate (within 30 days) for horses crossing into the District. Both the Negative Coggins and Routine Health Certificates must be presented to the Show Secretary upon arrival and therefore should not be mailed in with your entry form. An official from the District Board of Health will be present to inspect all certificates.

During the WIHS, the veterinarian's phone number will be posted in the Horse Show Office and in the Stabling Office. United States regulations require that all equines be covered by official interstate health certificates, issued by a licensed veterinarian, showing that the animals are free from any symptoms of any infectious or communicable disease. The certificate shall include the name of the owner and address, destination, number of horses examined, the name, registration numbers(s), if any, tattoo, if any, sex, age, rectal temperature, color, and marking of each animal listed. Health certificates will become void after 30 days from issue. Health certificates must show animals to be negative to an equine infectious anemia test within the past 12 months. Date of test and approved laboratory must be shown on the health certificate. Equine Rhinopneumonitis vaccination is not required; however, if any animal is vaccinated, it is ineligible for entry within 21 days of vaccination. Vehicles transporting animals must have certificates showing that they were cleaned and disinfected under veterinary supervision prior to loading. This information can be written on the health certificate.

CUSTOMS FORMALITIES

Before a horse can enter the United States, it must have an import permit, a health certificate from the country of origin (signed by a veterinarian), and a negative CEM culture taking within 30 days of import (for mares and stallions). If allowed into the country, all horses must be placed in federal quarantine at a USDA animal import center, which usually lasts two or three days. In the United States, there are four ports of entry for horses coming into this country—Los Angeles, Calif; Newburg, N.Y.; Miami, Fla.; and Honolulu, Hawaii.

Each horse brought into this country must pass through one of these USDA facilities. During that time, the horse will be tested and observed for clinical signs of illness resulting from “exotic” diseases such as dourine, glanders, piroplasmiasis, or more common diseases such as influenza. After quarantine, the mares and stallions over 731 days of age (two years) which are new to our country must undergo CEM quarantine at a separate facility.

National Federations holding an international event in their country should inform their national veterinary authority and their customs authority at least four weeks prior to the event. They should request every facility to assist the movement of horses/ponies accompanied by FEI passports and the necessary veterinary certification at frontier crossing points into and out of their countries. (Vet. Regs. Art. 1004.2)

INSURANCE

All owners and competitors are personally responsible for damages to third persons caused by themselves, their employees, their agents or their horses. They are therefore strongly advised to take out third-party insurance providing full coverage for participation in equestrian events at home and abroad, and to keep the policy up to date.
