# This is my horse™

I've been so fortunate to be able to ride great horses like Cadet and Wistful. Agro Star is another one with a bright future, and I'm excited to see him now spread his wings at the Grand Prix level. As an equestrian athlete, it is such an honor to represent the USA. Before every show, I make every effort to prepare each of my horses to be their best. A lot of things have come and gone in our program. But when something works, you stick with it. Platinum Performance has been in our barn since 1996. You can see it in the horses fitness and performance. We literally wouldn't be without it.
